Inclusion Conference

Embracing neurodiversity & inclusion in the classroom for education professionals

WHEN: Weds 29th April 2026 / 9.30am - 3pm

WHERE: West Kirby School & College, Wirral

BOOK TODAY
Limited Spaces

A free face to face event:

Expect a day of speakers, panel Q&A, networking & discussion, with practical advice & resources where we explore inclusion and its meaning, and go 'beyond the labels' to really understand every day inclusion within education and its impact on children (and their families).

We look at language in the classroom and focus on understanding and supporting students with Tourettes Syndrome. The event closes with a Q&A panel session where you can ask anything and everything to do with inclusion.
